**REVIEW PLAY SUMMARY:** Orlando, the youngest son of Sir Roland de Boys, is mistreated by his brother Oliver. When he responds to the general challenge issued by the Duke's wrestler, Charles, Oliver tells Charles to injure Orlando if he can manage it. The Duke's daughter, Celia, and her cousin, Rosalind, watch the match and Rosalind falls in love with Orlando. Orlando wins but the Duke gets angry when he discovers that Orlando is the son of his old enemy. Rosalind gives Orlando a chain to wear and he falls in love with her.

The Duke unexpectedly banishes Rosalind and she decides to find her father, the real Duke, who has been overthrown by his brother, Celia's father, Frederick. Duke Senior lives in the forest of Arden. Together with the court jester, Touchstone, the girls set out, disguised as a country boy, Ganymede, and his sister, Aliena. Orlando, fearing for his life, has also left home, accompanied by his father's servant, Adam.

In the forest, the group from the court encounter a young shepherd, Silvius, and watch him being rejected by a shepherdess, Phoebe, as he declares his love for her. They meet an old shepherd, Corin, who is looking for someone to take over the sheep farm. Ganymede, who wants to settle in the forest, buys the lease.

Duke Senior, unaware that his daughter is looking for him, is living a simple life with some courtiers and huntsmen. One of them is the melancholy Jaques, who reflects constantly on life. Orlando and Adam arrive and the outlaws welcome them and feed them.

Orlando hangs some love poems that he has written to Rosalind from the branches of trees. Rosalind and Aliena find them. Ganymede helps him to cure his lovesickness by wooing him, as though he/she were Rosalind. A country girl, Audrey, falls in love with Touchstone.

Oliver is searching for his brother. He is attacked by a lion and Orlando saves his life by fighting the lion. Orlando is slightly injured and when Oliver tells Ganymede about it she faints. Oliver and Celia fall in love. Phoebe falls in love with Ganymede. The goddess Hymen holds a wedding party; Rosalind returns as a woman and her father approves of her marriage to Orlando; Phoebe accepts Silvius; Orlando's other brother, Jake, returns from university with the news that Celia's father, Frederick, has retired as Duke to become a hermit; Jaques goes to join him. There is a joyful dance to celebrate the four marriages and the happy ending.

**ORLANDO** As I remember, Adam, it was upon this fashion **bequeathed** me by will but poor a thousand crowns, and charged my brother, on his blessing, to breed me well: and there begins my sadness. My brother Jake he keeps at school, but for my part, he keeps me rustically at home, or, to speak more properly, stays me here at home unkept; for call you that keeping for a gentleman of my birth, that differs not from the stalling of an ox? Besides this nothing that he so plentifully gives me, the something that nature gave me his **countenance** seems to take from me: he lets me feed with his hinds, bars me the place of a brother, and, as much as in him lies, **undermines** my gentility. This is it, Adam, that grieves me; and the spirit of my father, which I think is within me, begins to **mutiny** against this servitude: I will no longer endure it, though yet I know no wise **remedy** how to avoid it.
